OUR MISSION

To provide Quality Education
and Service Today—Eagle *Quest*

KEEPING YOU INFORMED

This report is a summary of some indicators of the performance of our school. No single report can tell the whole story of our school's educational program or the people who work and learn here. We encourage you to find out firsthand by visiting our school. If you are a parent of one of our students, we invite you to take an active role in your child's learning because studies show that when parents are involved, students do better in school.

HOW WE ARE IMPROVING

We are working at increasing the number of students involved in Honors and AP programs. We are also committed to teacher collaboration and extra study time for low performing students.

OPTIONS FOR PARENTS

Parents can access the Student Information System by logging onto Power School Parent.

WHAT WE CELEBRATE

For the last four out of five years, EHS has received the School of Excellence Award from the Idaho High School Activities Association (IHSAA) for excellence in Academics, Athletics, and Citizenship.

OUR SCHOOL COMMUNITY

Many factors, such as how often a child attends school, frequent relocation, and English language experience, influence school achievement. Measuring these characteristics helps us understand our students' needs.

ABOUT OUR STUDENTS

1% Who participated in programs to learn English
6% Who qualified for free and reduced-price lunch
40% Who participated in gifted and talented programs

We are committed to ensuring that highly trained and qualified teachers instruct our students. Parents are welcome to request information about the qualifications of their child's teachers at anytime. In addition, if the need arises for your child to be taught by a teacher without complete qualifications for more than four weeks, we will notify you.

ABOUT OUR TEACHERS

100 Percent who are highly qualified
7 Special Education teachers

OUR SCHOOL ENVIRONMENT

Our goal is to provide a place for student to learn without distractions and concerns for safety. We closely monitor activities on our campus and offer comprehensive programs to prevent alcohol, tobacco, and substance abuse. As required by state and federal laws and rules, we collect, monitor, and report on crimes and substance abuse incidents on our campus and at school activities. A complete report of this information about our school and district is available at: <http://www.sde.state.id.us/ipd/reportcard/SchoolReportCard.asp> or by contacting our school district at 855-4500.

OUR STUDENTS' ACADEMIC ACHIEVEMENT

ABOUT OUR GRADUATION RATE

Our state goal is for at least 90 percent of students to graduate from high school. The most current graduation rate information is for the class of 2009 and shows:

98.7 Percent for our school

ABOUT OUR STUDENTS' TEST RESULTS

Included with this are "Adequate Yearly Progress Assessment Reports." These reports provide detailed information about the academic performance of our students and specific groups of student son state reading, math, and language usage tests. College-bound students also take entrance exams. Our students' performance on these rigorous tests is shown below.

ABOUT OUR SCHOOL'S PROGRESS
